Stationery

Thank you to all those parents and caregivers
who have purchased stationery for their children.

The stationery is available at the office.

Learning starts at **9:00am** each day, please
make sure your child is in class by this time.

School finishes at **3:00pm** each day.
Do not collect your child early from school
as this will disrupt their learning time.

Please make sure you are here
by **3:00pm** to collect your child.

UNIFORMS

It is really important that our students are in
the correct uniform. Our school uniform is:

Our school provides free lunches to all students.
Please make sure you keep the office up to date
with any dietary requirements.

Breakfast is also available in the school hall
from **8:00am - 8:45am.**

School Organisation

Attached is a list of our teachers
and their classrooms and classroom
levels for this year.

**Our teachers are here to help. If you have any worries or concerns about your
child's learning, please have a chat to their teacher.**

I am also available to chat at anytime about any issues or concerns.

Kind regards,
